P

Posterior fossa abnormalities and other structural brain

Abnormalities

Little Boy of crimson blue,

Little Girl of P urple hue,

What is this that I've been hearing
About just the two of You?

H

Hemangioma(s) of the cervical facial region

You are not holding your **H**ead up,

While the butterflies pop up!

You've a tear and You are not smiling,

Is it the sun that is blinding?

Arterial cerebrovascular anomalies

Listen carefully as I tell You

That Your sweet and Mighty he **A**rts

Are as unique as a rainbow

And have brought love from the start.

Cardiac defects, aortic coarctation, other aortic

Abnormalities

All the olors on Your PHACES

Every flower wishes for,
You're each little masterpieces
So created by The Lord!

E

Eye Anomalies

I am with You on this jour**E**y,
E**very** step will make You strong;
But it is not You that need me,
It's the other way around!

S

Sternal defects and/or Supraumbilical raphe

Little Boy of crim **S** on blue,

Little Girl of purple hue,
Put up smiles on Your PHACES
So the world can look at You!
